As a student majoring in Network Information Systems and Applications at Vocational High School, I am very interested in the world of technology and digital innovation. I also love entrepreneurship, and I aspire to build my own business someday.

Education

SMK TI Bazma • Network Information Systems and Applications

2021 - Present

Experience

Secretary and Finance • SMK TI Bazma (School Cooperative)

2022 - Present

- Provide administrative assistance to the cooperative, including document preparation, filing, and correspondence management.
- Maintain accurate and up-to-date records of cooperative activities, decisions, and member information.
- Ensure the presence of in-demand products and meticulously assess the quality of merchandise slated for sale, maintaining a commitment to delivering excellence in every offering.

English Learning Mentor • SMK TI Bazma (Daily Vocabulary Reports)

2022 - 2023

- Engage with learners on a daily basis to receive and review their personally curated vocabulary sets.
- Provide constructive feedback and guidance to enhance their understanding and usage of new words.
- Empowers students with the art of articulate English communication, guiding them to master the nuances of effective spoken English.

Organizational Experience

Student Council President • SMK TI Bazma

2021 - 2022

As the student council president, I gained valuable insights into leadership, teamwork, and accountability. This role provided me with the opportunity to engage in effective communication with a diverse group of individuals.

Projects

CEO & Founder • Distrik Incorporation (Clothing Brand)

2022 - Present

- Develop and communicate the company's vision, mission, and overall strategy.
- Lead brand development initiatives to maintain a strong and distinctive brand identity.
- Build and lead a high-performing team, fostering a positive and collaborative work culture.
